Total	0.00	7,891.53
 <b>Donations (owed end 2021)</b>		
BMT Micro	0.00	0,00

### Summary.

Sponsoring and donations for VOICE were significantly lower in 2021 and reached just more than eight thousand euros, of which five and a half thousand were for the new web browser. The browser is being developed by Bit Wise Work with the help of VOICE contributions. The public beta is expected with the next few weeks but sponsoring is still needed.
